The WINS For Life Coaches Clinic provides a balanced platform to generate a season full of success. Wear your sneakers and bring a pencil as you will be on the court and in the classroom. Gain valuable insight on a range of subjects, such as: coaching philosophies, techniques and strategies, practice planning, and student-athlete development (character, esteem, skills).

Other key topics: motivation, discipline, leadership, interpersonal relationships, X’s & O’s, and a variety of basketball drills.

Includes on court demonstrations, coaching packet & playbook!
